

Weekly Report

1. Done

1.1. Read several papers about cyber security visualization.

Highlight the significant sentences and record my conclusion for each paper I seen.

1.2. Finish a part of graduation project.

1.3. Ready for demo and report.

Review our paper, especially the parts of both interfaces and cases.

2. To Do

2.1. Write my thesis.

2.2. Collect related papers for next survey.
